**PRESS RELEASE**

**Date: 22<sup>nd</sup> January, 2022**

## **PRAKASH INDUSTRIES LIMITED**

### **Secures Long-Term Coal Linkages**

The Company is pleased to inform that it has secured long term coal linkages of 1,95,900 MT per annum for next 5 years in the coal linkage auction concluded today by Coal India Limited under Tranche-V of the "Others" sub-sector.

The said linkages, together with the coal linkages of 8,10,200 MT per annum secured recently in the month of December 2021 for its captive power plant, will further insulate the Company against the volatility in the coal prices and thus provide long term stability to the operations and improve financial performance.
